Chapter 2

Evil wolf has two guns and very long claws that are black and he has very big teeth!

He also has red eyes and he can't fire an bow and arrow and the worst part is that he has a spy desolving machine! He is the worst arch nemesis ever! But he has the worst weakness ever his tummy.

He's bad he's big he's dangerous as you could imagine! But he is not good and cheery.

He is so bad that if he could he would eat you if you weren't a spy. If you were a spy you would be in big trouble because he gets beach chair and lemonade and acts like he's watching a show on a beach. He also loves cake as well as lemonade.

His base is called the secret cave it is underground. It is under water but is really hard to get to. It is at the bottom of the sea. The cave can carry 500000 things.

Spy Fox

chapter 3

In the Amazon rain forest in a tree there was a secret message. Spy Fox found the secret message and here's what it said to Oden.

I need to ask you something

from Steev Melk

now Spy Fox knew that name YES! it was his dad's name. He needed to get that to Oden but how?

At that moment Evil wolf appeared out of nowhere. He got that letter he would! As he tried to slash at Spy Fox's head but Spy Fox was too quick for him as he shot an arrow at his wily. Then Evil wolf started howling in pain it was Spy Fox's chance he traveled back in time to the time of the vikings.

Spy Fox ran to the rainbow bridge which he now connected the world of men and gods. He also knew that he had to be careful.

When he got to the top because of the god of the moon he perswayed the god to let him past with the letter and the same with all the other gods. He had a conversation with Oden he said i new you're father -er he also said i no what that letter means. What! Said Spy Fox it mean said Oden hpe is Hel she is Thors cusen oh said Spy Fox hoo was a little disapointed he had done most of that for nothing.

Spy Fox

In Brizz il there is a mesge who
finds it? and how do they deliver it?
